Item #1

<i>Presenter</i>	<i>Priority</i>	<i>Item</i>	
Jessie	M	Muddy Carpools	
Discussion:	Raised at the recent volunteer meetings was a suggestion that we need to underline to volunteers (to pass on to members) to leave any cars they ride in in as good condition as they found it. This is not just garbage, but keeping in mind potentially muddy/snowy footwear and dirty clothing. Bringing clean spares for things likely to get soiled is polite.		

Item #2

<i>Presenter</i>	<i>Priority</i>	<i>Item</i>	
Erik	M	Forum Integration	
Discussion:	The existing forum is troublesome enough that it's just worth switching over to the new one, and forgetting all of the existing conversations from years past.		
Action:	Erik to link up the new forum, and activate the shared login between site and forum		

Item #3

<i>Presenter</i>	<i>Priority</i>	<i>Item</i>	
Andrew	M	First Aid Reporting	
Discussion:	Return to carefully cataloguing safety incidents that occur on TOC events		
Action:	Andrew to create a new template
